

# Village Jewelry Summer Camp for Kids

with San Diego jewelry designer Denise J. Bonaimo

Learn how to create art jewelry out of found objects (scrap fabric/colored wire and drinking straws) and new materials (glass and wood beads). This five day class focuses on jewelry making techniques in beading, wire wrapping and letter stamping on metal as well as exploring jewelry making from repurposed and recycled materials. It's creative and great fun. **Class space is limited to 8 students, so sign up today!**
