Dear Artist:

Thank you for your interest in Gallery 21. Our mission is to provide exhibit space open to all San Diego County artists. We are pleased to offer this outreach gallery at a nominal fee.

General Guidelines:

- To provide opportunities for NEW artists, priority will be given to first-time exhibitors. Locally recognized organizations holding open, juried shows are exempt.
- One (1) National/International Exhibit per year will be encouraged, whether as a solo show or as a group show. National/International status must be noted on original application.
- Five (5) Spanish Village Art Center members will serve as jurors.
- Exhibitor must be non-member of Spanish Village Art Center with the following exceptions:
 1. Members of SVAC may exhibit once yearly as a member of a locally recognized group, providing that only 20% of the total exhibit is SVAC member work.
 2. Members of SVAC may exhibit in the yearly Small Image Show.
 3. SVAC Guild sponsored juried shows will be allowed provided they are open to outside artists. Works exhibited must be recent (no older than two years).

Enclosed you will find the Gallery 21 Application for 2010 and a sample Rental Agreement and Liability Release Form.
